A copy of the correction shall be mailed to the registered owner of the vehicle.

Contesting Parking Violation: Procedure

40215. (a) For a period of 21 calendar days from the issuance of a notice of parking violation or 14 calendar days from the mailing of a notice of delinquent parking violation, a person may request an initial review of the notice by the issuing agency. The request may be made by telephone, in writing, or in person. There shall be no charge for this review. If, following

the initial review, the issuing agency is satisfied that the violation did not occur, that the registered owner was not responsible for the violation, or that extenuating circumstances make dismissal of the citation appropriate in the interest of justice, the issuing agency shall cancel the notice of parking violation or notice of delinquent parking violation. The issuing agency shall advise the processing agency, if any, of the cancellation. The issuing agency or the processing agency shall mail the results of the initial review to the person contesting the notice.

(b) If the person is dissatisfied with the results of the initial review, the person may request an administrative hearing of the violation no later than 21 calendar days following the mailing of the results of the issuing agency's initial review. The request may be made by telephone, in writing, or in person. The person requesting an administrative hearing shall deposit the amount of the parking penalty with the processing agency. The issuing agency shall provide a written procedure to allow a person to request an administrative hearing without payment of the parking penalty upon satisfactory proof of an inability to pay the amount due. Notice of this procedure shall be provided to all persons requesting an administrative hearing. After January 1, 1996, an administrative hearing shall be held within 90 calendar days following the receipt of a request for an administrative hearing, excluding time tolled pursuant to this article. The person requesting the hearing may request one continuance, not to exceed 21 calendar days.

(c) The administrative hearing process shall include the following:

(1) The person requesting a hearing shall have the choice of a hearing by mail or in person. An in-person hearing shall be conducted within the jurisdiction of the issuing agency. If an issuing agency contracts with an administrative provider, hearings shall be held within the jurisdiction of the issuing agency or no more than 21 miles outside the county.

(2) If the person requesting a hearing is a minor, that person shall be permitted to appear at a hearing or admit responsibility for the parking violation without the necessity of the appointment of a guardian. The processing agency may proceed against the minor in the same manner as against an adult.

(3) The administrative hearing shall be conducted in accordance with written procedures established by the issuing agency and approved by the governing body or chief executive officer of the issuing agency. The hearing shall provide an independent, objective, fair, and impartial review of contested parking violations.

(4) (A) The issuing agency's governing body or chief executive officer shall appoint or contract with qualified examiners or administrative hearing providers that employ qualified examiners to conduct the administrative hearings. Examiners shall demonstrate those qualifications, training, and objectivity necessary to conduct a fair and impartial review. An examiner shall not be employed, managed, or controlled by a person whose primary duties are parking enforcement, parking citation, processing, collection, or issuance. The examiner shall be separate and independent from the citation collection or processing function. An examiner's continued employment, performance evaluation, compensation, and benefits shall not, directly or indirectly, be linked to the amount of fines collected by the examiner.

(B) Examiners shall have a minimum of 20 hours of training. The examiner is responsible for the costs of the training. The issuing agency may reimburse the examiner for those costs. Training may be provided through (i) an accredited college or university, (ii) a program conducted by the Commission on Peace Officer Standards and Training, (iii) American

Arbitration Association or a similar established organization, or (iv) through any program approved by the governing board of the issuing agency, including a program developed and provided by, or for, the agency. Training programs may include topics relevant to the administrative hearing, including, but not limited to, applicable laws and regulations, parking enforcement procedures, due process, evaluation of evidence, hearing procedures, and effective oral and written communication. Upon the approval of the governing board of the issuing agency, up to 12 hours of relevant experience may be substituted for up to 12 hours of training. In addition, up to eight hours of the training requirements described in this subparagraph may be credited to an individual, at the discretion of the governing board of the issuing agency, based upon training programs or courses described in (i) to (iv), inclusive, that the individual attended within the last five years.

(5) The officer or person who issues a notice of parking violation shall not be required to participate in an administrative hearing. The issuing agency shall not be required to produce any evidence other than the notice of parking violation or copy thereof and information received from the Department of Motor Vehicles identifying the registered owner of the vehicle. The documentation in proper form shall be prima facie evidence of the violation.

(6) The examiner's decision following the administrative hearing may be personally delivered to the person by the examiner or sent by first-class mail.

(7) Following a determination by the examiner that a person has committed the violation, the examiner may, ***consistent with the written guidelines established by the issuing agency***, allow payment of the parking penalty in installments, or an issuing agency may allow for deferred payment or allow for payments in installments, if the person provides evidence satisfactory to the examiner or the issuing agency, as the case may be, of an inability to pay the parking penalty in full. If authorized by the governing board of the issuing agency, the examiner may permit the performance of community service in lieu of payment of a parking penalty.

(d) The provisions of this section relating to the administrative appeal process do not apply to an issuing agency that is a law enforcement agency if the issuing agency does not also act as the processing agency.

Disposition of Delinquent Parking Violation

40220. Except as otherwise provided in Sections 40221 and 40222, the processing agency shall proceed under only one of the following options in order to collect an unpaid parking penalty:

(a) File an itemization of unpaid parking penalties and service fees with the department for collection with the registration of the vehicle pursuant to Section 4760.

(b) If more than four hundred dollars (\$400) in unpaid penalties and fees have been accrued by any person or registered owner, proof thereof may be filed with the court with the same effect as a civil judgment. Execution may be levied and other measures may be taken for the collection of the judgment as are authorized for the collection of an unpaid civil judgment entered against a defendant in an action on a debtor. The court may assess costs against a judgment debtor to be paid upon satisfaction of the judgment. The processing agency shall send a notice by first-class mail to the person or registered owner indicating that a judgment shall be entered for the unpaid penalties, fees, and costs and that, after 21 calendar days from the date of the

mailing of the notice, the judgment shall have the same effect as an entry of judgment against a judgment debtor. The person or registered owner shall also be notified at that time that execution may be levied against his or her assets, liens may be placed against his or her property, his or her wages may be garnished, and other steps may be taken to satisfy the judgment. If a judgment is rendered for the processing agency, that agency may contract with a collection agency to collect the amount of that judgment. Notwithstanding any other provision of law, the processing agency shall pay the established first paper civil filing fee at the time an entry of civil judgment is requested.

(c) If the registration of the vehicle has not been renewed for 60 days beyond the renewal date, and the citation has not been collected by the department pursuant to Section 4760, file proof of unpaid penalties and fees with the court with the same effect as a civil judgment as provided in subdivision (b).

Amended Sec. 16, Ch. 734, Stats. 1995. Effective January 1, 1996.

Prohibition Against Filing Complaint With Court

40221. The processing agency shall not file a civil judgment with the court relating to a parking violation which has been filed with the department unless the processing agency has determined that the registration of the vehicle has not been renewed for 60 days beyond the renewal date and the citation has not been collected by the department pursuant to Section 4760.

Amended Ch. 1244, Stats. 1992. Effective January 1, 1993.

Termination of Proceedings

40222. The processing agency shall terminate proceedings on the notice of delinquent parking violation in any of the following cases:

(a) Upon receipt of collected penalties and administrative fees remitted by the department under Section 4762 for that notice of delinquent parking violation. The termination under this subdivision is by satisfaction of the parking penalty.

(b) If the notice of delinquent parking violation was returned to the processing agency pursuant to Section 4764 and five years have elapsed since the date of the violation. The termination under this subdivision is by the running of a statute of limitation of proceedings.

(c) The processing agency receives information, which it shall verify with the department, that the penalty has been paid to the department pursuant to Section 4762.

Added Ch. 939, Stats. 1986. Effective January 1, 1987.

Parking Violation: Statute of Limitations: Tolling

40224. The time limitation provided by law for commencement of a civil action for a violation specified in Section 40200 shall be tolled from and after the date a notice of delinquent parking violation is filed with the department pursuant to subdivision (b) of Section 40220 until the notice is returned to the processing agency under subdivision (b) of Section 4760 or Section 4762 or 4764 or is recalled by the processing agency pursuant to subdivision (d) of Section 40211.

Amended Sec. 17, Ch. 734, Stats. 1995. Effective January 1, 1996.

The recommendation shall cite the reasons for the recommendation and be filed with the court.

If the magistrate or judge makes a finding that there are grounds for dismissal, the finding shall be entered on the record and the infraction or misdemeanor dismissed.

(c) Any person willfully failing to comply with a condition of a court order for a violation of this code, other than for failure to appear or failure to pay a fine, is guilty of a misdemeanor, regardless of their subsequent compliance with the order.

(d) If a person convicted of an infraction fails to pay a fine or any installment thereof within the time authorized by the court, the court may, except as otherwise provided in this subdivision, impound the person's driver's license and order the person not to drive for a period not to exceed 30 days. Before returning the license to the person, the court shall endorse on the reverse side of the license that the person was ordered not to drive, the period for which that order was made, and the name of the court making the order. If a defendant with a class 3 or 4 driver's license satisfies the court that impounding his or her driver's license and ordering the defendant not to drive will affect his or her livelihood, the court shall order that the person limit his or her driving for a period not to exceed 30 days to driving that is essential in the court's determination to the person's employment, including the person's driving to and from his or her place of employment if other means of transportation are not reasonably available. The court shall provide for the endorsement of the limitation on the person's license. The impounding of the license and ordering the person not to drive or the order limiting the person's driving does not constitute a suspension of the license, but a violation of the order constitutes contempt of court.

Forfeiture of Bail

40512. (a) (1) Except as specified in paragraph (2), if at the time the case is called for arraignment before the magistrate the defendant does not appear, either in person or by counsel, the magistrate may declare the bail forfeited and may, in his or her discretion, order that no further proceedings be had in the case, unless the defendant has been charged with a violation of Section 23111 or 23112, or subdivision (a) of Section 23113, and he or she has been previously convicted of the same offense, except if the magistrate finds that undue hardship will be imposed upon the defendant by requiring him or her to appear, the magistrate may declare the bail forfeited and order that no further proceedings shall be had in the case.

(2) If the defendant has posted surety bail and the magistrate has ordered the bail forfeited and that no further proceedings shall be had in the case, the bail retains the right to obtain relief from the forfeiture as provided in Section 1305 of the Penal Code if the amount of the bond, money, or property deposited exceeds seven hundred dollars (\$700).

However, if the defendant has been charged with a violation of Section 23111 or 23112, or subdivision (a) of Section 23113, and he or she has been previously convicted of a violation of the same section, the court may declare the bail forfeited, but shall issue a

bench warrant for the arrest of the person charged, except if the magistrate finds that undue hardship will be imposed upon the defendant by requiring him or her to appear, the magistrate may declare the bail forfeited and order that no further proceedings shall be had in the case.

(b) If the defendant has posted surety bail and the magistrate has ordered the bail forfeited and that no further proceedings shall be had in the case, the bail retains the right to obtain relief from the forfeiture as provided in Section 1305 of the Penal Code if the amount of the bond, money, or property deposited exceeds seven hundred dollars (\$700).

Filing of Complaint

40513. (a) Whenever written notice to appear has been prepared, delivered, and filed with the court, an exact and legible duplicate copy of the notice when filed with the magistrate, in lieu of a verified complaint, shall constitute a complaint to which the defendant may plead “guilty” or “nolo contendere.”

If, however, the defendant violates his or her promise to appear in court or does not deposit lawful bail, or pleads other than “guilty” or “nolo contendere” to the offense charged, a complaint shall be filed that shall conform to Chapter 2 (commencing with Section 948) of Title 5 of Part 2 of the Penal Code, which shall be deemed to be an original complaint, and thereafter proceedings shall be had as provided by law, except that a defendant may, by an agreement in writing, subscribed by him or her and filed with the court, waive the filing of a verified complaint and elect that the prosecution may proceed upon a written notice to appear.

(b) Notwithstanding subdivision (a), whenever the written notice to appear has been prepared on a form approved by the Judicial Council, an exact and legible duplicate copy of the notice when filed with the magistrate shall constitute a complaint to which the defendant may enter a plea and, if the notice to appear is verified, upon which a warrant may be issued. If the notice to appear is not verified, the defendant may, at the time of arraignment, request that a verified complaint be filed. In the case of an infraction violation in which the defendant is a minor, the defendant may enter a plea at the arraignment upon a written notice to appear. Preparation and delivery of a notice to appear pursuant to this section is not an arrest.

(b) A notice to appear shall contain the name and address of the person, the license plate number of the person's vehicle, the violation charged, including a description of the offense, and the time and place when, and

Trial Scheduling; Written Not Guilty Plea

40519. (a) Any person who has received a written notice to appear for an infraction may, prior to the time at which the person is required to appear, make a deposit and declare the intention to plead not guilty to the clerk of the court named in the notice to appear. The deposit shall be in the amount of bail established pursuant to Section 1269b of the Penal Code, together with any assessment required by Section 42006 of this code or Section 1464 of the Penal Code, for the offense charged, and shall be used for the purpose of guaranteeing the appearance of the defendant at the time and place scheduled by the clerk for arraignment and for trial, and to apply toward the payment of any fine or assessment prescribed by the court in the event of conviction. The case shall thereupon be set for arraignment and trial on the same date, unless the defendant requests separate arraignment.

(b) Any person who has received a written notice to appear may, prior to the time at which the person is required to appear, plead not guilty in writing in lieu of appearing in person. The written plea shall be directed to the court named in the notice to appear and, if mailed, shall be sent by certified or registered mail postmarked not later than five days prior to the day upon which appearance is required. The written plea and request to the court or city agency shall be accompanied by a deposit consisting of the amount of bail established pursuant to Section 1269b of the Penal Code, together with any assessment required by Section 42006 of this code or Section 1464 of the Penal Code, for that offense, which amount shall be used for the purpose of guaranteeing the appearance of the defendant at the time and place set by the court for trial and to apply toward the payment of any fine or assessment prescribed by the court in the event of conviction. Upon receipt of the plea and deposit, the case shall be set for arraignment and trial on the same date, unless the defendant requests separate arraignment. Thereafter, the case shall be conducted in the same manner as if the defendant had appeared in person, had made his or her plea in open court, and had deposited that sum as bail. The court or the clerk of the court shall notify the accused of the time and place of trial by first-class mail postmarked at least 10 days prior to the time set for the trial. Any person using this procedure shall be deemed to have waived the right to be tried within the statutory period.

(c) Any person using the procedure set forth in subdivision (a) or (b) shall be deemed to have given a written promise to appear at the time designated by the court for trial, and failure to appear at the trial shall constitute a misdemeanor.

Amended Ch. 1244, Stats. 1992. Effective January 1, 1993.

Notice to Appear: Affidavit of Non-Liability

40520. (a) A notice to appear issued pursuant to Section 40518 for an alleged violation recorded by an automatic enforcement system shall contain, or be accompanied by, an affidavit of nonliability and information as to what constitutes nonliability, information as to the effect of executing the affidavit, and instructions for returning the affidavit to the issuing agency.

(b) (1) If a notice to appear is sent to a car rental or leasing company, as the registered owner of the vehicle, the company may return the notice of nonliability pursuant to paragraph (2), if the violation occurred when the

vehicle was either leased or rented and operated by a person other than an employee of the rental or leasing company.

(2) If the affidavit of nonliability is returned to the issuing agency by the registered owner within 30 days of the mailing of the notice to appear together with the proof of a written rental agreement or lease between a bona fide renting or leasing company and its customer and that agreement identifies the renter or lessee and provides the driver's license number, name, and address of the renter or lessee, the agency shall cancel the notice for the registered owner to appear and shall, instead, issue a notice to appear to the renter or lessee identified in the affidavit of nonliability.

(c) Nothing in this section precludes an issuing agency from establishing a procedure whereby registered owners, other than bona fide renting and leasing companies, may execute an affidavit of nonliability if the registered owner identifies the person who was the driver of the vehicle at the time of the alleged violation and whereby the issuing agency issues a notice to appear to that person.

Added Sec. 26, Ch. 828, Stats. 1998. Effective January 1, 1999.

The amounts may be paid in the form of a personal check which meets the criteria established pursuant to subdivision (c) of Section 40510, or a bank cashier's check or a money order. Bail and any assessment shall be paid not later than the day of appearance set forth in the notice to appear or prior to the expiration of any lawful continuance of that date.

(b) Bail forwarded by mail is effective only when the funds are actually received.

(c) Section 40512 is applicable to bail paid pursuant to this section. Upon the making of the order pursuant to Section 40512 that no further proceedings be had, the amount paid as bail shall be paid into the city or county treasury, as the case may be, and the assessment shall be transmitted to the State Treasury in the manner provided in Section 1464 of the Penal Code.

Whenever a person is arrested for violations specified in Section 40303.5 and none of the disqualifying conditions set forth in subdivision (b) of Section 40610 exist, and the officer issues a notice to appear, the notice shall specify the offense charged and note in a form approved by the Judicial Council that the charge shall be dismissed on proof of correction. If the arrested person presents, by mail or in person, proof of correction, as prescribed in Section 40616, on or before the date on which the person promised to appear, the court shall dismiss the violation or violations charged pursuant to Section 40303.5.

Amended Ch. 258, Stats. 1992. Effective January 1, 1993.

Every traffic officer on duty for the exclusive or main purpose of enforcing the provisions of Division 10 or 11 of this code shall wear a full distinctive uniform, and if the officer while so on duty uses a motor vehicle, it must be painted a distinctive color specified by the commissioner.

This section does not apply to an officer assigned exclusively to the duty of investigating and securing evidence in reference to any theft of a vehicle or failure of a person to stop in the event of an accident or violation of Section 23109 or in reference to any felony charge, or to any officer engaged in serving any warrant when the officer is not engaged in patrolling the highways for the purpose of enforcing the traffic laws.

Amended Ch. 202, Stats. 1961. Effective September 15, 1961.

Speed Trap Prohibition

40801. No peace officer or other person shall use a speed trap in arresting, or participating or assisting in the arrest of, any person for any alleged violation of this code nor shall any speed trap be used in securing evidence as to the speed of any vehicle for the purpose of an arrest or prosecution under this code.

Speed Traps

40802. (a) A “speed trap” is either of the following:

(1) A particular section of a highway measured as to distance and with boundaries marked, designated, or otherwise determined in order that the speed of a vehicle may be calculated by securing the time it takes the vehicle to travel the known distance.

(2) A particular section of a highway with a prima facie speed limit that is provided by this code or by local ordinance under subparagraph (A) of paragraph (2) of subdivision (a) of Section 22352, or established under Section 22354, 22357, 22358, or 22358.3, if that prima facie speed limit is not justified by an engineering and traffic survey conducted within five years prior to the date of the alleged violation, and enforcement of the speed limit involves the use of radar or any other electronic device that measures the speed of moving objects. This paragraph does not apply to a local street, road, or school zone.

(b) (1) For purposes of this section, a local street or road is defined by the latest functional usage and federal-aid system maps submitted to the federal Highway Administration, except that when these maps have not been submitted, or when the street or road is not shown on the maps, a “local street or road” means a street or road that primarily provides access to abutting residential property and meets the following three conditions:

(A) Roadway width of not more than 40 feet.

(B) Not more than one-half of a mile of uninterrupted length. Interruptions shall include official traffic control signals as defined in Section 445.

(C) Not more than one traffic lane in each direction.

(2) For purposes of this section “school zone” means that area approaching or passing a school building or the grounds thereof that is contiguous to a highway and on which is posted a standard “SCHOOL” warning sign, while children are going to or leaving the school either during school hours or during the noon recess period. “School zone” also includes the area approaching or passing any school grounds that are not separated from the highway by a fence, gate, or other physical barrier while the grounds are in use by children if that highway is posted with a standard “SCHOOL” warning sign.

(c) (1) When all of the following criteria are met, paragraph (2) of this subdivision shall be applicable and subdivision (a) shall not be applicable:

(A) When radar is used, the arresting officer has successfully completed a radar operator course of not less than 24 hours on the use of police traffic radar, and the course was approved and certified by the Commission on Peace Officer Standards and Training.

(B) When laser or any other electronic device is used to measure the speed of moving objects, the arresting officer has successfully completed the training required in subparagraph (A) and an additional training course of not less than two hours approved and certified by the Commission on Peace Officer Standards and Training.

(C) (i) The prosecution proved that the arresting officer complied with subparagraphs (A) and (B) and that an engineering and traffic survey has been conducted in accordance with subparagraph (B) of paragraph (2). The prosecution proved that, prior to the officer issuing the notice to appear, the arresting officer established that the radar, laser, or other electronic device conformed to the requirements of subparagraph (D).

(ii) The prosecution proved the speed of the accused was unsafe for the conditions present at the time of alleged violation unless the citation was for a violation of Section 22349, 22356, or 22406.

(D) The radar, laser, or other electronic device used to measure the speed of the accused meets or exceeds the minimal operational standards of the National Traffic Highway Safety Administration, and has been calibrated within the three years prior to the date of the alleged violation by an independent certified laser or radar repair and testing or calibration facility.

(2) A “speed trap” is either of the following:

(A) A particular section of a highway measured as to distance and with boundaries marked, designated, or otherwise determined in order that the speed of a vehicle may be calculated by securing the time it takes the vehicle to travel the known distance.

(B) (i) A particular section of a highway or state highway with a prima facie speed limit that is provided by this code or by local ordinance under subparagraph (A) of paragraph (2) of subdivision (a) of Section 22352, or established under Section 22354, 22357, 22358, or 22358.3, if that prima facie speed limit is not justified by an engineering and traffic survey conducted within one of the following time periods, prior to the date of the alleged violation, and enforcement of the speed limit involves the use of radar or any other electronic device that measures the speed of moving objects:

(I) Except as specified in subclause (II), seven years.

(II) If an engineering and traffic survey was conducted more than seven years prior to the date of the alleged violation, and a registered engineer evaluates the section of the highway and determines that no significant changes in roadway or traffic conditions have occurred, including, but not limited to, changes in adjoining property or land use, roadway width, or traffic volume, 10 years.

(ii) This subparagraph does not apply to a local street, road, or school zone.

Speed Trap Evidence

40803. (a) No evidence as to the speed of a vehicle upon a highway shall be admitted in any court upon the trial of any person in any prosecution under this code upon a charge involving the speed of a vehicle when the evidence is based upon or obtained from or by the maintenance or use of a speedtrap.

(b) In any prosecution under this code of a charge involving the speed of a vehicle, where enforcement involves the use of radar or other electronic devices which measure the speed of moving objects, the prosecution shall establish, as part of its prima facie case, that the evidence or testimony presented is not based upon a speedtrap as defined in paragraph (2) of subdivision (a) of Section 40802.

(c) When a traffic and engineering survey is required pursuant to paragraph (2) of subdivision (a) of Section 40802, evidence that a traffic and engineering survey has been conducted within five years of the date of the alleged violation or evidence that the offense was committed on a local street or road as defined in paragraph (2) of subdivision (a) of Section 40802 shall constitute a prima facie case that the evidence or testimony is not based upon a speedtrap as defined in paragraph (2) of subdivision (a) of Section 40802.

Amended Sec. 147, Ch. 124, Stats. 1996. Effective January 1, 1997.

Testimony Based on Speed Trap

40804. (a) In any prosecution under this code upon a charge involving the speed of a vehicle, any officer or other person shall be incompetent as a

witness if the testimony is based upon or obtained from or by the maintenance or use of a speed trap.

(b) Every officer arresting, or participating or assisting in the arrest of, a person so charged while on duty for the exclusive or main purpose of enforcing the provisions of Divisions 10 and 11 is incompetent as a witness if at the time of such arrest he was not wearing a distinctive uniform, or was using a motor vehicle not painted the distinctive color specified by the commissioner.

This section does not apply to an officer assigned exclusively to the duty of investigating and securing evidence in reference to any theft of a vehicle or failure of a person to stop in the event of an accident or violation of Section 23109 or in reference to any felony charge or to any officer engaged in serving any warrant when the officer is not engaged in patrolling the highways for the purpose of enforcing the traffic laws.

Amended Ch. 84, Stats. 1978. Effective January 1, 1979.

Admission of Speed Trap Evidence

40805. Every court shall be without jurisdiction to render a judgment of conviction against any person for a violation of this code involving the speed of a vehicle if the court admits any evidence or testimony secured in violation of, or which is inadmissible under this article.

Police Reports

40806. In the event a defendant charged with an offense under this code pleads guilty, the trial court shall not at any time prior to pronouncing sentence receive or consider any report, verbal or written, of any police or traffic officer or witness of the offense without fully informing the defendant of all statements in the report or statement of witnesses, or without giving the defendant an opportunity to make answer thereto or to produce witnesses in rebuttal, and for such purpose the court shall grant a continuance before pronouncing sentence if requested by the defendant.

Use of Evidence Regarding Departmental Action

40807. No record of any action taken by the department against a person's privilege to operate a motor vehicle, nor any testimony regarding the proceedings at, or concerning, or produced at, any hearing held in connection with such action, shall be admissible as evidence in any court in any criminal action.

No provision of this section shall in any way limit the admissibility of such records or testimony as is necessary to enforce the provisions of this code relating to operating a motor vehicle without a valid driver's license or when the driving privilege is suspended or revoked, the admissibility of such records or testimony in any prosecution for failure to disclose any matter at such a hearing when required by law to do so, or the admissibility of such records and testimony when introduced solely for the purpose of impeaching the credibility of a witness.

Added Ch. 804, Stats. 1977. Effective January 1, 1978.

Article 2. Civil Actions

Effect of Convictions

40830. The circumstances under which this section applies are either:

(a) Where violation of the provision was required by a law of the federal government or by any rule, regulation, directive or order of any agency of the federal government, the violation of which is subject to penalty under an act of Congress or by any valid order of military authority.

Suspension or Revocation of Driving Privilege

40832. No record of the suspension or revocation of the privilege to operate a motor vehicle by the department, nor any testimony of or concerning or produced at the hearing terminating in the suspension or revocation, shall be admissible as evidence in any court in any civil action.

In any action involving the question of unlawful speed of a vehicle upon a highway which has been signposted with speed restriction signs of a type complying with the requirements of this code, it shall be presumed that existing facts authorize the erection of the signs and that the prima facie speed limit on the highway is the limit stated on the signs. This presumption may be rebutted.

Official Signs and Traffic Control Devices

41101. (a) Whenever a traffic sign or traffic control device is placed in a position approximately conforming to the requirements of this code, it shall be presumed to have been placed by the official act or direction of lawful authority, unless the contrary is established by competent evidence.

(b) Any sign or traffic control device placed pursuant to this code and purporting to conform to the lawful requirements pertaining to it shall be presumed to comply with the requirements of this code unless the contrary is established by competent evidence.

Prior Conviction: Constitutional Validity

41403. (a) In any proceedings to have a judgment of conviction of a violation of Section 14601, 14601.1, 14601.2, 23152, or 23153, or Section 23103 as specified in Section 23103.5, which was entered in a separate proceeding, declared invalid on constitutional grounds, the defendant shall state in writing and with specificity wherein the defendant was deprived of the defendant's constitutional rights, which statement shall be filed with the clerk of the court and a copy served on the court that rendered that judgment and on the prosecuting attorney in the present proceedings at least five court days prior to the hearing thereon.

(b) Except as provided in subdivision (c), the court shall, prior to the trial of any pending criminal action against the defendant wherein the separate conviction is charged as such, hold a hearing, outside of the presence of the jury, in order to determine the constitutional validity of the charged separate conviction issue. At the hearing the procedure, the burden of proof, and the burden of producing evidence shall be as follows:

(1) The prosecution shall initially have the burden of producing evidence of the separate conviction sufficient to justify a finding that the defendant has suffered that separate conviction.

(2) After the production of evidence required by paragraph (1), the defendant then has the burden of proof by a preponderance of the evidence that the defendant's constitutional rights were infringed in the separate proceeding at issue. If the separate conviction sought to be invalidated is based upon a plea of guilty or nolo contendere, the defendant shall provide the court with evidence of the prior plea, including the court docket, written waivers of constitutional rights executed by the defendant, and transcripts of the relevant court proceedings at the time of the entry of the defendant's plea. These records shall be provided to the defendant without cost to him or her, when the defendant is represented by the public defender or counsel appointed pursuant to Section 987.2 of the Penal Code.

(3) If the defendant bears this burden successfully, the prosecution shall have the right to produce evidence in rebuttal.

(4) The court shall make a finding on the basis of the evidence thus produced and shall strike from the accusatory pleading any separate conviction found to be constitutionally invalid.

(c) If the defendant fails to comply with the notice requirement of subdivision (a) or fails to produce the evidence required by paragraph (2) of subdivision (b), the court shall hear the motion at the time of sentencing in lieu of continuing the trial, unless good cause is shown for failure to provide notice pursuant to subdivision (a) or produce the evidence required by paragraph (2) of subdivision (b), in which case the court shall grant a continuance of the trial for a reasonable period. The procedure, burden of proof, and burden of producing evidence as provided in subdivision (b) shall apply regardless of when the motion is heard.

(c) The department shall remove from its records any notice received by it pursuant to subdivision (a) of Section 40509 upon receipt of satisfactory evidence that a person was committed to the custody of the Director of Corrections or the Department of the Youth Authority after the offense which gave rise to the notice occurred.

(e) The provisions of subdivisions (a), (b), and (c) do not apply to any offense committed by a person while he is temporarily released from custody pursuant to law or while he is on parole.

(f) The provisions of subdivisions (a), (b), and (c) do not apply if the pending offense is a violation of Section 23103, 23152, or 23153.
